Sir,

Sub: Electricity - Restriction & Control - Sri Mangalore Electric Supply Company Ltd., Temporary Supply to Government Ice Plant Building, Mangalore for a lighting load of 0.16 K.W.

Ref: Licensee's letter Man/2945/44 dated 23-12-'53. Not received

-:-

Temporary supply for a lighting load of 0.16 K.W has been permitted by this office for use of the Executive Engineer, P.W.D. South Kanara Division Mangalore in connection with the construction of the Government Ice Plant at Mangalore, and the load has been in use from 13-1-'53. In the letter cited above, the licensee requests that supply may be permitted for a further period of 3 months from 1-1-1954. As the total period of supply would exceed 12 months, the powers of sanction of this office-the application for extension of supply for 3 months beyond 31-12-'53 is forwarded to Government for sanction.

I am permitting the licensee, Sri Mangalore Electric Supply Company Ltd., Mangalore to continue temporary supply to the Government Ice Plant building for

a lighting load of 0.16 K.W. for a further period of 3 months from 1-1-54 in anticipation of sanction of Government. Supply may be sanctioned subject to the condition that supply is liable to be suitably restricted, staggered or cut off altogether as the case may be as and when power position or any other emergency in the Power House warrants such a course of action.

My action in having permitted the licensee to continue temporary supply may also be ratified.

Yours faithfully,

In the above Government were pleased to permit the licensee to supply electricity for lighting load of 0.16 KW to the Executive Engineer, P.W.D., South Kanara for a further period upto 31-3-1955, subject to certain conditions. As the party has requested for extension of supply for 2 more months from 1-4-1955, I am permitting licensee to continue the same for a further period of two months subject to all the conditions originally stipulated, in anticipation of approval of Government. A

2. Supply was also permitted on 31-3-1954, to the Executive Engineer, South Kanara Division, Mangalore for a load of 30 KW for working welding set etc., in connection with the construction of the Ice Plant, restricting between the hours of 10 P.M. and 6 P.M. the next day, and this was subsequently enhanced to 50 KW unrestricted supply for testing purposes as requested for by the party. The period of temporary supply for the same will be one year by the end of March 1955 and party requests that this also may be extended by another two months from 1-4-1955. As the period of temporary supply has already come to one year, by the end of 31-3-1955, any further extensions have to be accorded only by Government and I am therefore permitting the licensee to continue the same for a further period of two months in anticipation of approval of Government, subject to the condition that supply is liable to be suitably restricted, staggered or cut off altogether as the case may be as and when the power position or any other emergency in the licensee's Power House warrants such a course of action.
